<b>Remarks:</b> Herb:  You recall that the Admiral desires to meet with a group of university presidents. The draft letter attached, in personalized versions, is intended for 8 or 10 people from campuses around the country. You may have seen the lengthy staff work <del>STATINTL</del> proposal earlier.  [REDACTED] contributed to the present draft, and are receiving copies, along with [REDACTED] of this one. I plan to prepare the actual letters for DCI signature once I receive comments. <i>Brian</i>

<b>Remarks:</b> John: <p>You most likely recall the staff study I prepared a while back responsive to the Admiral's desire to invite a group of university presidents to the Agency. This letter, a second draft reflecting contributions from [REDACTED] is intended for 8 or 10 presidents in personalized versions.</p> <p style="text-align: center;">STATINTL</p> <p>I have asked [REDACTED] to comment informally on the letter before I have the actual letters prepared. I would also appreciate your input, and an informal consideration by Adm. Turner if you can arrange that at this stage.</p>
